# Browser Refresh Setting

This setting ensures that the latest versions of your OLGA Application PDFs are displayed.

1. Click the "Tool/Gear" icon at top right.

2. Choose "Internet Options".
3. Midway down the page, under "Browsing History", click the Settings button.
4. "Check for newer versions of stored pages" is probably set to "Automatically". Change it to the first option, "Every time I visit the webpage."
5. Click the OK button.
6. Click the OK button.
7. Done. You should not need to close your browser.
