

SENIOR TRANSPORTATION PROGRAM APPLICATION

This program supports operating expenses for new transportation services for adults 60 years of age and older. The overall objective is to increase the quality and quantity of coordinated transportation services available for older adults.

This section will ask you to enter project information for which you are requesting Senior Transportation State funding. This section is divided into three different tabs: Project Information, Operating Budget, and Attachments.

PROJECT INFORMATION

Project Information

- Project Name: Enter the name of the Senior Transportation project you are requesting funds for.
- Project Description: Provide a detailed description of the Senior Transportation project, including routes being serviced, expected ridership, etc.
- Areas Served: List all the counties and cities affected by the Senior Transportation service.
- Project Type: Check the type of expenditures for which you are requesting funds. More than one box may be selected.
- Estimated revenues to be generated by this project: Enter best estimate in dollars.
- Anticipated days per week of service provided: Enter number of days per week service will be operating.

Project Needs, Goals, and Objectives

Answer questions as noted.

Implementation Plan

Answer questions as noted.

OPERATING BUDGET

Enter detailed list of expense items for which you are requesting Senior Transportation funding. Start by selecting “Add Expense Item”.

Expense Items

From the drop down list, select the applicable expense category.

Budget Amount

Enter the total cost amount of the item.

Local Share

Enter the source of the local share that is required to match the Senior Transportation that is awarded.

Make sure to save data.

ATTACHMENTS

Uploading Files

This page is included to allow grantees to attach any documents that support their request for Senior Transportation funds. Only one file can be attached.

Please follow the directions to upload files, and make sure you select “upload” to complete the upload.

Submit the application only after you have determined there are no other changes needed and that it is final.
